Vision Publishers. Paperback. Book Condition: new. BRAND NEW, Seeing Christ in the Tabernacle, Ervin N. Hershberger, Christ is marvellously foreshadowed in every piece of the Tabernacle. Every feature was planned by God with design and purpose. Because of God's plan that the Tabernacle would be fulfilled in Christ, both in its structure as well as in its function, it can be said that this book is more about Christ than the Tabernacle. As readers tour this amazing interpretative construction with Hershberger, they will be delighted to see figures of Christ where they least expected to find them. The smallest details are given significance in this great symbolic foreshadowing of Christ and His Church. This book has served many through personal studies and group studies. Every preacher and Bible teacher could benefit from this well thought out study.
