

The First Immortal

By James L. Halperin

Random House USA Inc, United States, 1998. Paperback. Book Condition: New. Reissue. 180 x 112 mm. Language: English . Brand New Book. In his astonishing first novel, James L. Halperin wrote of humanity's epoch-making achievement of truth and justice at the dawn of the twenty-first century. Now Halperin takes his luminous vision a leap further into the future as he unfolds this magnificent saga of our triumph over death itself. At the age of sixty-three, Benjamin Smith, accomplished physician, loving father and grandfather, brilliantly original thinker, is in the prime of his life. He is too vital, too gifted, to die of the massive heart attack that overwhelms his system on a rain-soaked spring day in 1988. But Ben Smith will not die. A pioneering advocate of the infant science of cryonics, Ben has arranged to have his body frozen until the day when humanity will possess the knowledge, the technology, and the courage to revive him. That day arrives far more quickly--and far more strangely--than anyone could possibly imagine. For when Ben resumes life after a frozen interval of eighty-three years, the world is altered beyond recognition. Thanks to the cutting-edge science of nanotechnology, as practiced by Ben...

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
