

The New Creation Story Spirit, Eros Climate Chaos The New Creation Story, a trilogy Volume 1

By Andrew F. Beath

New Epoch Books. Paperback. Condition: New. 292 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Our New Creation Story is a long journey from the Big Bang to the Present Moment. Our planet is withering. This story tells us why and shows us how to overcome humankind's monumental challenges by making choices based on our species' recently advanced consciousness, providing a new context for everything that really matters: Knowledge, Appreciation, Awe, Gratitude, Truth, Beauty, Love, Courage, Joy, Relationship and Intimacy. These pages examine the crisis and opportunity of our current human epoch. We examine deep time, including where we came from, who we are as a species, and why we are out of alignment with Earth's community of all life. Human consciousness has always been in transition and is currently becoming more complex. But is there enough time to save us from ourselves? The answer to this conundrum runs the gamut between cosmology, life origins, archeology, anthropology, early civilizations, psychology and today's new sciences, all examined through esoteric prisms, such as perennial philosophy, spiritual mysticism and newfound humility. The story is founded on universal Consciousness and focused on human consciousness in particular, including art, music, mythology, metaphysics and Eros. These pages tell the story...

Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

-- **Melody Jakubowski**

Merely no words to clarify. I could comprehend almost everything using this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
