SERVICE STACK JUMP START (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The protocol stack is an implementation of a computer networking protocol suite. The terms are often used interchangeably. Strictly speaking, the suite is the definition of the protocols, and the stack is the software implementation of the m. Individual protocols within a suite are often designed with a single purpose in mind. This modularization makes design and evaluation easier. Because each...
