Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.While a Missionary in Jamaica I saw some things I felt the early church encountered quite similar to our day. So I chose to write this book to take a series look into faith healers prophets so called. My research from the Holy Scriptures show the church today in no way has the same powers allotted to them. Furthermore, the Bible is clear healing comes through faith alone according to God s will. Barjesus Simon were exposed by Peter Paul. We have such false teachers preachers amid the work of the Lord today, that need to be exposed as foes to the cause of Christ. The Bible is quite revealing how Barjesus Simon in the present tense is stealing the art of genuine healing in the true church today.
