Excerpt from Minutes of the Fifty-Ninth Annual Session of the Birmingham Baptist Association Held With Warrior Baptist Church, Warrior, Jefferson County, Alabama, September 27, 28 and 29, 1892 The fact that Alabama is being very rapidly developed, and that the population Of our towns and cities is being increased at such a rate by people from all sections of our country as well as from many foreign lands, makes the State Mission work second to none undertaken by our churches. Our people have not been idle. The Baptists of the State saw the need of meeting this new order of things seventeen years ago, and organized the State Board of Missions. Their success during this period has been very gratifying. With the exception of the first two or three years of its history the Board has received upon an average of something like a year to carry forward its work. During the last conventional year the receipts were more than for all purposes. The amount Of work done can best be seen from the report of the See rotary to the last meeting of the State Convention, from which we get these interesting figures.
