

The Social Organization of Sexuality: Sexual Practices in the United States (New edition)

By Edward O. Laumann, John H. Gagnon, Robert T. Michael, Stuart Michaels

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, The Social Organization of Sexuality: Sexual Practices in the United States (New edition), Edward O. Laumann, John H. Gagnon, Robert T. Michael, Stuart Michaels, This representative survey of sexual behaviour in the general population of America offers basic information about topics such as the transmission of AIDS and other sexually transmitted diseases, unwanted pregnancies, child abuse, sexual harassment and sexual violence. Conducted by a research team centred at the University of Chicago, the National Health and Social Life Survey (NHLS) was designed to determine not only incidence and prevalence of sexual practices, but also the social and psychological contexts in which they occur. Based on personal interviews with a probability sample of 3432 American women and men between the ages of 18 and 59, this study explores the extent to which sexual conduct and general attitudes toward sexuality are influenced by gender, age, marital status and other demographic characteristics. Some of the questions the researchers address include: how do social factors such as education, race, and religion affect sexual conduct?; how have American sexual patterns been changing?; how do women's and men's sexual lives and attitudes differ?; and how...
