Colleen Patrice, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever wondered why issues like cancer, autism, Alzheimer s disease, and digestive disorders seem all too common these days? Or why there is so much conflicting information about what s good for your health, especially when it comes to food, the most basic of human needs? What if you learned that the system is purposely designed to confuse you? Book One of the Lighten Your Toxic Load(R) series exposes carefully crafted Corporate Strategies designed to keep you confidently consuming toxic products-simply for the sake of Profit. With a blow-by-blow account of the shocking realities that can take place behind closed doors, you will understand why it is vitally important for you to take charge of your own health. and what you can do right now. With in-depth examples, you will learn how to discern fact from folly, and empower yourself with the resources you need to make your own informed and health-promoting decisions. Why did I write this book? It s simple. I care about people and our planet, and I have zero tolerance for secrets, lies, and manipulation. The fact...
