Fordham University Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. What could it mean to speak of philosophy as the education of grownups ? This book takes Stanley Cavell s much-quoted, yet enigmatic phrase as the provocation for a series of explorations into themes of education that run throughout his work - through his response to Wittgenstein, Austin and ordinary language philosophy, through his readings of Thoreau and of the moral perfectionism he identifies with Emerson, through his discussions of literature and film. Hilary Putnam has described Cavell not only as one of the most creative thinkers of today but as amongst the few contemporary philosophers to explore the territory of philosophy as education. Yet in mainstream philosophy his work is apt to be referred to rather than engaged with, and the full import of his writings for education is still to be appreciated. Cavell engages in a sustained exploration of the nature of philosophy, and this is not separable from his preoccupation with what it is to teach and to learn, with the kinds of transformation these might imply, and with the significance of these things for our language and politics, for our lives as a whole. In recent years Cavell s work has been the subject of a number of books of essays, but this is the first to address directly the importance of education in his work. Such matters cannot fail to be of significance not only for the disciplinary fields of philosophy and education, but in politics, literature, and film studies - and in the humanities as a whole. A substantial introduction provides an overview of the philosophical purchase of questions of education in his work, while the essays are framed by two new pieces by Cavell himself. The book shows...
