Okey Dokey Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you think retirement communities are populated by brainwashed old farts in golf cards, prepare yourself for a new perspective. Instead of spending her golden years knitting and playing bingo, naive and frequently inebriated Nancy McRae becomes entangled with a secretive network of senior citizens involved in one of the more divisive issues of our time--an issue sent all the way to the Supreme Court: medical marijuana. Nothing is ever as it seems in this escapade of personal struggle under the pressure of social constraint. Circumstances drag her into a death-defying whirlpool of romance, murder and political intrigue. She finds herself amidst colorful retirees who provide an unconventional stepping stone to an empowerment that fills her once drab existence with excitement, purpose and meaning.
