

## Architecture&apos;s Odd Couple

Filesize: 3.35 MB

### **Reviews**

*This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.*

Condition: New. Publisher/Verlag: Bloomsbury Trade | Frank Lloyd Wright and Philip Johnson | A vibrant dual portrait that chronicles the lives of and volatile relationship between the two most iconic figures in American architecture: Frank Lloyd Wright and Philip Johnson. | In architectural terms, the twentieth century&apos;s flint and steel; their repeated encounters consistently set off sparks. Yet as acclaimed historian Hugh Howard shows, their rivalry was also a fruitful artistic conversation, one that yielded new directions for both men. It was not despite but rather because of their contentious--and not always admiring--relationship that they were able so powerfully to influence history.In *Architecture&apos;s Odd Couple*, Howard deftly traces the historical threads connecting the two men and offers readers a distinct perspective on the era they so enlivened with their designs. Featuring many of the structures that defined modern space--from Fallingwater to the Guggenheim, from the Glass House to the Seagram Building--this book presents an arresting portrait of modern architecture&apos;s odd couple and how they shaped the American landscape by shaping each other. | Format: Hardback | Language/Sprache: english | 693 gr | 236x168x27 mm | 352 pp.
