

Sacrifice, and Other Plays (Classic Reprint)

Filesize: 3 MB

Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Enrique Labadie)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Sacrifice, and Other Plays The division of days and nights is not for me, nor that of months and years. For me, the stream of time has stopped, on whose waves dances the world, like straws and twigs. In this dark cave I am alone, merged in myself, - and the eternal night is still, like a mountain lake afraid of its own depth. Water oozes and drips from the cracks, and in the pools float the ancient frogs. I sit chanting the incantation of nothingness. The world's limits recede, line after line. - The stars, like sparks of fire, flown from the anvil of time, are extinct; and that joy is mine which comes to the God Shiva, when, after aeons of dream, he wakes up to find himself alone in the heart of the infinite annihilation. I am free, I am the great solitary One. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
