

Ellington Field - A Short History, 1917-1963 (Paperback)

By National Aeronautics and Space Administr

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ellington Field in Houston, Texas, has a unique heritage that mirrors the course of 20th century American military history. For 81 years, Ellington Field served the United States Army and Air Force through times of war, cold war, and peace. Over the past 8 decades the airfield has functioned in variety of operational roles: as an active duty base, an Air Force Reserve base, and an Air National Guard base. Overall, Ellington Field s economic, political, and technological impact on the development of south Texas cannot be underestimated. While most military facilities built in 1917 to train pilots for combat in the First World War have long since disappeared, Ellington Field remains active as a private field that serves the military, commercial, and general aviation needs of Houston.

Reviews

A very great pdf with lucid and perfect explanations. It really is rally interesting throgh reading time period. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about in the event you question me).

-- **Keshaun Schneider**

This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and i advised this pdf to understand.
