O CHRISTMAS TREE: CHORAL OCTAVO

FABER FABER, United States, 2013. Paperback. Book Condition: New. 267 x 175 mm. Language: English Brand New Book. The Germans love of the Christmas tree was immortalized in the song O Tannenbaum. The fir tree's evergreen qualities, and hence its loyalty, inspired many Tannenbaum songs to be written over the last four centuries; however, it was the version by August Zarnack and a Leipzig organist named Ernst Anschütz, set to an old folk tune, that ultimately stood the test of time. Many popular singers, including the great Nat King Cole, have recorded their own versions either in German or, as in this arrangement, in English. Faber Choral Singles offer a series of beautifully crafted arrangements in a diversity of musical styles for today's choirs. From Broadway, pop and folk to spirituals, gospel and original works, the Faber Choral Singles series guarantees the perfect repertoire for every occasion.
