ALISTAIR GRIM S ODDAQUATICUM (PAPERBACK)

Alma Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Adam Stower (illustrator). Language: English . Brand New Book. Grubb, the young apprentice at Alistair Grim s Odditorium (a flying house of mechanical wonders) finds himself on the run, as all of London is convinced that Alistair Grim is a villain. Grim, however, has come up with a plan to defeat the real villain: the evil Prince Nightshade, who wants the Odditorium s power source for himself. Desperate to clear their master s name and save the world, Grubb and the rest of the Odditorium s crew set off on a perilous underwater adventure to the mythical realm of Avalon. The object of their quest? The legendary sword Excalibur, the only blade powerful enough to pierce Prince Nightshade s suit of magical armour. Along the way, Grubb and his friends must confront a murderous banshee, sea monsters, and a witch with a grudge against Alistair Grim. But that s not all, and Grubb soon learns that their fate was written long ago in an Avalonian prophecy that not even Alistair Grim could have predicted.
