A Woman of Means is a tragi-comedy that grapples with the need for self-justification in the face of contradiction between ones expressed values and ones behavior. Hampton, a philanderer, had always wanted to marry a woman of means, i. e. someone who was not only financially well off but motivated to stay that way. He not only wanted financial independence afforded him by a woman (which he never received), he also wanted his world to be free from the unclean and unholy (which it never was). Instead of marrying a woman of means, he married a nice but unstable woman, Elizabeth, who works as a nurse at a local hospital. Elizabeth, an intensely dependent woman given to bouts of severe depression, has tried to commit suicide several times throughout her marriage to Hampton. Hamptons brother, Roger, a more conservative, monogamous man, lives in the shadow of his brother and resents and envies Hamptons more liberal, passionate lifestyle. He is a grocery store manager who derives some satisfaction from his job, but ultimately he fears the accuracy of his brothers critical...

Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
