Liferich, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Where to invest for growth can be a daunting decision for even an experienced investor. For a beginner, it can seem downright impossible. The author covers in this investment guide all kinds of investments including the stocks, treasury securities, municipal and corporate bonds, mutual funds and exchange traded funds and introduces even the master limited partnerships and real estate investment trusts. Some of the highlights of coverage are the concept of compounding and dollar cost averaging selection and analysis of stocks using the fundamental approach to stock evaluation supplemented with technical analysis selection and analysis of mutual funds and ETFs asset allocation, diversification and rebalancing guidelines for buying and selling the securities evaluating market levels and the discussion of market volatility and crash economic and tax considerations in investing.
