Exterminating Angel Press, United States, 2017. Paperback. Condition: New. Revised Edition. Language: English . Brand New Book. It s still as true as it was when this cult cookbook classic first appeared: Everyone loves to eat-or they should. This memoir/support system is still all there for anyone who s ever looked in their refrigerator and thought, What on earth am I going to make for dinner? Anyone hungry, or in charge of hungry loved ones, will love having Tod on their shelf to cheer them on, now in an abundantly updated edition, including a new introduction, a new afterword, and essays on brining, potato pancakes, and on making a dish your very own. . The Jam Today series has been compared to the work of M.F.K. Fisher, the classic food writer who, like Davies, brings her literary talent to food writing. Like recent books by Michael Pollan and Betty Fussell, the Jam Today series also carries an important political message about how-and what-we consume.
