

Root and Branch: British Magical Tree Lore (Paperback)

Filesize: 3.76 MB

Reviews

Absolutely essential study publication. It usually fails to expense an excessive amount of. Your lifestyle period will probably be transform when you full looking at this publication.

(Ms. Allene Conroy)

ROOT AND BRANCH: BRITISH MAGICAL TREE LORE (PAPERBACK)

Feedaread.com, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Throughout our long history, forests have been places of shelter, providing food for man and fodder for the animals; the wood for fuel (i.e. warmth and cooking) and for making weapons and other utensils. At the same time they have also been places of fear, where the temperamental Faere Folk, wood sprites and elementals lurked in the dappled shadows. Even today, few places can rival an English oak wood in early summer for peace and beauty with its carpet of primroses and bluebells. Or the cathedral-like majesty of the autumn beech wood with the sun's light filtering through the leaves. Or the brooding quiet of the ancient holly wood. Perhaps it is not surprising that our remote ancestors performed their acts of worship in forest clearings and woodland glades, for this is where they came face to face with Nature - however they chose to see it. So come and walk with us awhile . take my hand, child, and I will take you safely through the Wild Wood.
