Baen Books, United States, 2011. Book. Condition: New. Reprint. Language: English . Brand New Book. As Captain Pausert had often had occasion to observe, life just wasn't fair! Hadn't he (with the help of the notorious witches of Karres, of course) outmaneuvered the deadliest of space pirates and eliminated the threat of the Worm World (as told in *The Witches of Karres*), after which, at the least, he deserved some time off. No such luck, though, as the Empress herself sent him on a secret mission to stop the nanite plague, but an enemy had somehow convinced the Imperial Fleet that he was actually a wanted criminal, so after a battle leaving his ship in urgent need of repairs all three of them joined an interstellar traveling circus (don't ask!) in order to save the galaxy once again (as told in *The Wizard of Karres*). Time for a vacation? Don't be ridiculous - there's a new urgent mission that has Captain Pausert's name on it! This new novel finds the long-suffering Captain and the two young Karres witches - Goth, who vows she will marry him when she grows up, and her younger sister The Leewit - being sent off to investigate mysterious and ominous events in the notorious Chaladoor region of space.
