Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Struggling with personal appearance and self-esteem has become such an integral part of our society that we forget sometimes that God never intended for us to feel as though aren't quite pretty enough. In the barrage of false beauty we see in advertising and entertainment, we begin to set ourselves to unreachable standards, compensating for our imperfections with material cover-ups like makeup and fashion. God has a better plan than just covering up our perceived inadequacies, though. This plan is simple, love who he made you to be. As we all can relate, that is much easier said than done. That's why we all need this encouraging message about embracing our inner beauty. Through biblical truths and practical exercises, this book will take you on a journey with God that will transform your view of beauty standards and help you see yourself for the absolute beauty God himself made you to be.
