OF A FIRE ON THE MOON (PAPERBACK)

Bantam Doubleday Dell Publishing Group Inc, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. For many, the moon landing was the defining event of the twentieth century. So it seems only fitting that Norman Mailer--the literary provocateur who altered the landscape of American nonfiction--wrote the most wide-ranging, far-seeing chronicle of the Apollo 11 mission. A classic chronicle of America's reach for greatness in the midst of the Cold War, *Of a Fire on the Moon* compiles the reportage Mailer published between 1969 and 1970 in *Life* magazine: gripping firsthand dispatches from inside NASA's clandestine operations in Houston and Cape Kennedy; technical insights into the magnitude of their awe-inspiring feat; and prescient meditations that place the event in human context as only Mailer could. Praise for *Of a Fire on the Moon* The gift of a genius . . . a twentieth-century American epic--a *Moby Dick* of space. --*New York Mailer's* account of Apollo 11 stands as a stunning image of human energy and purposefulness. . . . It is an act of revelation--the only verbal deed to be worthy of the dream and the reality it celebrates. --*Saturday Review* A wild and dazzling book. --*The New York Times Book Review* Still the most challenging and stimulating account of [the] mission to appear in print. --*The Washington Post* Praise for Norman Mailer [Norman Mailer] loomed over American letters longer and larger than any other writer of his generation. --*The New York Times* A writer of the greatest and most reckless talent. --*The New Yorker* Mailer is indispensable, an American treasure. --*The Washington Post* A devastatingly alive and original creative mind. --*Life* Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance. --*The New York Review of Books*...
