Reviews

It is great and fantastic. Better than ever, though I am quite late in starting to read this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.

It was a wild, stormy night, the wind was blowing hard, and the rain was falling fast; yet through the darkness I could distinguish crowds of figures gathered on the green. On the side farther from the sea there was a bright light streaming through the darkness. I wondered in my dream what was going on, and I found that it was a tug of war, taking place in the darkness of the night. I saw the huge cable, and gradually as I watched I caught sight of those who were pulling. That night I had a strange dream. I thought I was once more on the village green.
