Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

THE BOOK OF THE SACRED MAGIC OF ABRAMELIN THE MAGE

Cosimo Classics. Paperback. Condition: New. 320 pages. Dimensions: 8.3in. x 5.5in. x 0.8in. The Book of the Sacred Magic of Abramelin the Mage--originally published in 1900, translated by Samuel Mathers from a 15th-century French document--was purportedly written by Abraham for his son Lamech. Within this volume are three books. The first book is Abrahams autobiography in which he speaks to his son. The second book is an explanation of the purification rituals necessary to bring the magicians personal demon under his control. And the third book details what feats can be accomplished once the practitioner is able to use a form of magic controlled and directed through sigils of magic words written on a grid. Anyone with an interest in the occult will find this an interesting, though perhaps impractical, guide for exploring mystic arts. British magician and eccentric SAMUEL LIDDELL MACGREGOR MATHERS (1854-1918) also wrote The Key of Solomon the King (Clavicula Salomonis) and The Kabbalah Unveiled. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
