CHINA AND METHODISM (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 124 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Excerpt from China and Methodism This booklet is in no sense a history of our Methodist Episcopal Missions in China. It is not even an attempt to express appreciation of the splendid achievements of our missionaries. Full half of the space allotted has been taken for a general account of the land, the people, and the religions of China, because interest in and appreciation of our work depend upon seeing our Missions in their relations to the unfolding life of this vast empire. We have simply attempted to present such a brief outline as will enable American Methodists to understand the problem which confronts us and to make preparation for a suitable participation in the centennial celebration of the founding of Protestant Missions in China.
