Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Table of Contents Introduction Survival Tactics Necessary Tools for Survival Dangerous Animals to Watch Out Coping With unfavorable daytime weather How to Cope With the Freezing Night Temperatures Conclusion Author Bio Publisher Introduction It is everybody s dream to travel safely, arrive at their destination in time and with minimal challenges. While hoping for the best, it is always important to be prepared for anything. If you re thinking of travelling across a desert, then you must be prepared because you never know when something will go wrong. You must know what to do in case your car breaks down or somehow you find yourself in the middle of the desert. The desert is characterized by endless miles of nothing but extremely high temperatures, desert plants and desert features such as sand dunes. While in the desert, you might travel for several hours or even days without seeing any sign of human civilization. This means that the only way you can come out of the desert alive is by knowing how to survive in it. Because of poor or no cellphone network coverage in most parts of deserts, you won t be able to call for help. Since the roads in most deserts are rarely used, it might take several days or even weeks before a single car passes through them. This means that you should be prepared to survive alone as nobody will come to your rescue while in the desert. The book, How to Survive in a Desert is designed to help anybody survive in the desert for as long as possible. With this book, you ll know what to carry when travelling across a desert. You ll also learn...
