Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Meredith Hanson lives in Blackpool, the former Victorian holiday hotspot of Northern England. She masquerades as a reclusive author, feeding on the blood of unsuspecting tourists without remorse. Her life takes on new meaning when she meets a young witch in a local pub one evening. Despite Meredith's cold demeanour, she finds herself oddly fascinated with Samantha Morris, and falls into an accidental relationship with the girl. It is at this time that a vampire hunter arrives in Blackpool. He is tough, he is determined, and his next target is an ancient vampire that has been spotted in the tourist town. He intends to bring her down and destroy her to save the lives of innocent humans. Will he succeed? Or will the experienced vampire seductress be the cause of his undoing?.
