This book is for exam preparation, not an outline. The writer s own bar essays were all published! Excerpt: Public Disclosure of Private Facts. Public Disclosure of Private Facts is a civil wrong committed when a person intentionally or negligently discloses non-public information about another without consent or other excuse, and this would be highly offensive to a reasonable person. Here, Jackson disclosed the fact that Michael drinks spoiled orange juice for energy. Therefore Michael is liable. The rule is actually longer than the arguments! It should routinely be the other way around. Your factual arguments are what interest your grader far more than anything else.
