Createspace. Paperback. Condition: New. This item is printed on demand. 286 pages. Dimensions: 9.9in. x 8.2in. x 0.8in. In 2014, this book was replaced by the Third Edition titled Functional Inflammolgy for High Blood Pressure and Sustained Hypertension: Includes Access to 1-hour Video Introduction to Protocol (ISBN-13: 978-1496051974 ISBN-10: 1496051971) completely updated by Dr Alex Vasquez as part of the Inflammation Mastery series, subtitled Deconstructing and Deciphering the Phenomenon and Enigma of Inflammatory Disorders, Allergy, and Autoimmunity using the F. I. N. D. S. E. X. acronym and the Updated Functional Inflammolgy Clinical protocol. Integrative Medicine and Functional Medicine for Chronic Hypertension provides healthcare professionals, policymakers, and the educated public more than a review of treatments for chronic hypertension; this book outlines and substantiates a paradigm shift that will broaden the reader's perspective and enable a new approach to hypertension management and disease prevention. Further, in the process of exploring the topic of hypertension, readers will see how the functional medicine approach that is described herein can be applied to other important health problems commonly encountered in clinical practice and public health. Hypertension commonly known as high blood pressure is the most common diagnosis in the practice of medicine, and...
