## THE SILO EFFECT: WHY EVERY ORGANISATION NEEDS TO DISRUPT ITSELF TO SURVIVE (PAPERBACK)

Little, Brown Book Group, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Ever since civilised society began, we have felt the need to classify, categorise and specialise. It can make things more efficient, and help give the leaders of any organisation a sense of confidence that they have the right people focusing on the right tasks. Those in question - financial trading desks, urban police forces, surgical teams within medical clinics, software debuggers and consumer product engineers - have practices and rituals as ordered and intricate as those of any far-flung tribe. In *The Silo Effect*, she uses an anthropological lens to explore how individuals, teams and whole organisations often work in silos of thought, process and product. With examples drawn from a range of fascinating areas - the New York Fire Department and Facebook to the Bank of England and Sony - these narratives illustrate not just how foolishly people can...
