Workman Publishing, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. DRAW IN THIS BOOK! Seriously, do it. Sure, parents and teachers are always saying NOT to doodle in your books, but here s a book that was actually made for you to doodle in. In fact, it s required. Without you, this story is incomplete. Meet Jim. He s a duck. He s also the member of a super-secret international group of explorers. They need your help. An artefact has been stolen from their headquarters and they have not idea who took it. It s your job to draw your character, find the artefact, beat the bad guys, and get your hero home safely by the end of the book. Are you up for the adventure? Good, now grab your pen or pencil and start scribbling! More than a mere doodle activity book, this is a reading book with a great story - that the reader makes completely his or her own.
