Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

In order to reflect the real estate market. the latest developments in real estate finance. summed up the experience in real estate finance work. we organized the compilation of the China Real Estate Financial Report (2007). The report analyzes the 2007 China's real estate market. real estate financial market situation and its regional characteristics of the development and introduction of relevant policies are introduced. The first part of the report describes the real estate market situation in 2007. With the gradual implementation of various control policies. the real estate development and investment structure has been optimized. the national housing construction area of ??new construction area. the completion of the area are substantial growth. At the same time. market demand is still strong. nationwide house prices continued to rise rapidly. but at the end of the slowdown in momentum. The second part analyzes the real estate and financial situation in 2007. The real estate development funded rapid growth. the amount of funding provided by the individual housing mortgage loans. Commercial real estate loans throughout the year continued rapid growth in the fourth quarter slowed. Housing fund entrusted to higher loan growth. both growth higher than the commercial individual housing mortgage loans by 6.4 percentage points. Real estate loans of the four major commercial banks to further improve the quality of a bad rate. At the same time. we note that China's real estate bank credit facilities as the main pattern does not change. trust. and equity provided by a small proportion of funds. The third part of a comparative analysis of the real estate and real estate finance area. In 2007. the growth rate of...
