Outskirts Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Quick and Easy Recipes to make for your Canine Family Members. I have been Breeding Top Quality puppies for several years. In taking care of my own dogs, I realized the importance of knowing what is in your dog s food, especially with all the Dog Food Recalls over the last few years. Over the last few years I have been collecting and developing recipes for my dogs and have decided to put them all together in one collection to share with others. We have had many of our new puppy owners ask us for foods they could make for their newest family member, so this seemed like the natural next step. Most of the recipes are made with ingredients already in your kitchen and take very little time to make. Worth the peace of mind of knowing just what is in the food and treats you are giving your dog.
