JULIE OF THE WOLVES

Condition: New. Publisher/Verlag: HarperCollins US | Ausgezeichnet mit dem Deutschen Jugendliteraturpreis 1975, der Newbery Medal 1973 und dem Silver Slate Pencil Award 1975. ALA Notable Childrens Book, Horn Book Fanfare, Library of Congress Childrens Books | This enduring Newbery Award-winning classic reaches out to a new generation with a stunning rack edition. | Jean Craighead George's Newbery Medal-winning classic about an Eskimo girl lost on the Alaskan tundra. Julie of the Wolves is a staple in the canon of children's literature and the first in the Julie trilogy. The survival theme makes it a good pick for readers of other wilderness stories such as My Side of the Mountain, Hatchet, or Island of the Blue Dolphins. To her small Eskimo village, she is known as Miyax; to her friend in San Francisco, she is Julie. When her life in the village becomes dangerous, Miyax runs away, only to find herself lost in the Alaskan wilderness. Miyax tries to survive by copying the ways of a pack of wolves and soon grows to love her new wolf family. Life in the wilderness is a struggle, but when she finds her way back to civilization, Miyax is torn between her old and new lives. Is she Miyax of the Eskimos or Julie of the wolves? | Format: Paperback | Language/Sprache: english | 105 gr | 208 pp.
