Createspace, United States, 2013. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****.Two classics paired for maximum results. As A Man Thinketh: This classic best-selling self-help book spawned a new era of thought. James Allen writes that a man is literally what he thinks, his character being the complete sum of all his thoughts. Before The Secret and The Law of Attraction, Allen s teachings were inspiring those who seek to better their lives through personal revelation. It Works: The Little Red Book that simply and concisely explains exactly how to get what you want. As A Man Thinketh will explain why and It Works will tell you exactly how to apply this magical method of obtaining all your heart desires. James Allen (1864-1912) was a philosophical writer known for his inspirational books and poetry. Overcoming tragedy early in life, he and his wife retired to the country to live a simple life of contemplation, and to publish his books and a magazine, The Light of Reason. As a Man Thinketh is Allen s most well known book, and the inspiration behind contemporary works such as The Secret. R.H.J. is the anonymous author of the life-changing book, It Works. Both of these books are short in length but huge in depth. This version includes the complete and unedited text of the original publications.
