*This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## TRAIL MIX (PAPERBACK)

Linda J Newlin, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Included in this book are four short stories, each unique in story themes. The first story Saving the Land of Zafer is a fantasy about a brother and sister who must travel to a mythical land to save the queen from an evil curse. The second story Kova is done in an Outer Limits style. Here the reader finds that a nothing is what it purports to be. The third story Forever Ever, Amen came out of an exercise from Stephen King s book On Writing . This is my rendition of a relationship that has gone horribly wrong or otherwise affectionally known as the psycho wife. The fourth, but not the least of the stories, The Incident at Green Valley Lake, is a story of three adolescents who encounter UFO s, aliens, and their own fears in the quiet little town they call home.
