

The Book of Business Etiquette (Paperback)

By Nella Henney

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The best of us get on one another's nerves, even under ordinary conditions, and it takes infinite pains and self-control to get through a trying day in a busy office without striking sparks somewhere. If there is a secret of success, and some of the advertisements seem trying to persuade us that it is all secret, it is the ability to work efficiently and pleasantly with other people. The business man never works alone. He is caught in the clutches of civilization and there is no escape. He is like a man climbing a mountain tied to a lot of other men climbing the same mountain. What each one does affects all the others. Show Excerpt their respect for the ladies, whom it was their duty to serve. And nearly every other ceremony which has lasted was based on common sense. Etiquette, as Dr. Brown has said, with all its littlenesses and niceties, is founded upon a central idea of right and wrong. The word courtesy itself did not come into the language until late (etiquette came even later) and...

Reviews

This pdf will not be straightforward to get started on studying but really exciting to read. It absolutely was written really perfectly and useful. I am just very happy to tell you that this is basically the finest publication I actually have studied during my personal daily life and may be the finest ebook for ever.

-- Miss Lavonne Grady II

This kind of publication is every little thing and taught me to search in advance plus more. I have got study and I am confident that I am going to go through yet again down the road. I am just effortlessly could get a delight of reading a written pdf.

-- Mrs. Bonita Kuphal
