Excerpt from The Works of Louise Muhlbach: Napoleon and Blucher IT was a fine, warm day in May, 1812. The world was groaning under the yoke of Napoleon s tyranny. As a consolation for the hopeless year, came the laughing spring. Fields, forests, and meadows, were clad in beautiful verdure; ?owers were blooming, and birds were singing everywhere even at Charlottenburg, which King Frederick William formerly delighted to call his pleasure palace, but which now was his house of mourning. At Charlottenburg, Fred erick William had spent many and happy Spring days with Queen Louisa; and when she was with him at this country seat, it was indeed a pleasure palace. The noble and beautiful queen was also now at Charlotten burg, but the king only felt her presence - he beheld her no more. Her merry remarks and charming laughter had ceased, as also her sighs and suffering; her radiant eyes had closed forever, and her sweet lips spoke no more. She was still at Charlottenburg, but only as a corpse. The king had her mausoleum erected in the middle of the garden. Here lay her coffin, and room had been left for another, as Frederick William intended to repose one day at the side of his Louisa.
