Midnight s first home was with a sweet young woman and her young daughter. Tragedy struck, and the young mother died. The young daughter had to move in with her grandmother. The grandmother could not care for the child and a new puppy. Midnight was left outside and given free rein of the neighborhood. Every day, when the little girl would walk to school, the puppy would follow her. That is when my pre-K class was visited by the little black puppy. This is the story of what happens after the puppy showed up at school.
