

Film Music: A Very Short Introduction

Filesize: 5.85 MB

Reviews

A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.

(Macey Schneider)

FILM MUSIC: A VERY SHORT INTRODUCTION

To read **Film Music: A Very Short Introduction** PDF, remember to refer to the web link listed below and download the ebook or get access to other information which might be have conjunction with FILM MUSIC: A VERY SHORT INTRODUCTION book.

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, Film Music: A Very Short Introduction, Kathryn Kalinak, The rich and deeply moving sounds of film music are as old as cinema itself. Even the very first projected moving images were accompanied by music in many places as a variety of performers - from single piano players to small orchestras - brought images to life through musical accompaniment. Film music has since become its own industry, an aesthetic platform for expressing creative visions and a commercial vehicle for growing musical stars of all varieties. This Very Short Introduction provides a lucid, accessible, and engaging overview of the subject of film music. Beginning with an analysis of the music from a well-known sequence in the film *Reservoir Dogs*, the book focuses on the most central issues in the practice of film music. Expert author Kay Kalinak takes readers behind the scenes to understand both the practical aspects of film music - what it is and how it is composed - and also the theories that have been developed to explain why film music works. This compact book not entertains with the fascinating stories of the composers and performers who have shaped film music across the globe but also gives readers a broad sense for the key questions in film music studies today. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
