The Theory Of International Trade With Some Of Its Applications To Economic Policy (Paperback)

By C.F. Bastable

Read Books, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Originally published in 1903. The present work is an attempt to restate, in a more complete form, the doctrines of the classical English school on an important and difficult branch of political economy. The theory of international trade has, therefore, been selected for exposition as being one of the products of the older political economy which is well worth preserving, and one, moreover, which is peculiarly suited for students, both on account of its intricacies and the logical processes employed, as also by reason of its bearing on the old, but still unclosed, controversy respecting the comparative merits of protection and free-trade. Author: C.F. Bastable Language: English Keywords: Social Sciences / Economics Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Obscure Press are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. Excerpt from text: SINCE the last edition of this book appeared the subject of International Trade has come into unexpected prominence. In the phraseology lately fashionable it has justified itself:...
