Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Essays, Vol. 1: Critical and Imaginative* In the year 1842, Professor Wilson published in three volumes, under the title of *The Recreations of Christopher North*, a collection of his miscellaneous writings selected from *Blackwood's Magazine*. These volumes (which will be reprinted in this edition of his works), were, however, very far from exhausting the materials which his prolific pen had contributed to that popular periodical. A quantity of writing much greater than that which was re-issued under his own auspices, still survives for republication; and it is now the business and duty of his Editor to place in the hands of the reader such a portion of these multifarious compositions as appears likely to amuse or interest him. None of the *Essays* contained in the following volumes were prepared for republication by Professor Wilson himself. The advantage of his own deliberate selection and careful revision cannot be claimed for them: in this respect they labour under the same disadvantages which attach to the *Nodes Ambrosianae*. Nevertheless it is certain that Professor Wilson intended, at one time or other, to republish these articles, or at least a large proportion of them. Separate copies of all his contributions to *Blackwood* had been made up for his use, and were in his hands for some years before his death.
