

Discovering Girard (Paperback)

By Michael Kirwan

Cowley Publications,U.S., United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Really wonderful; an elegantly written initiation into the mimetic theory. I am lucky to have interpreters who understand what I want to say and who can write so well. --Rene Girard The work of Rene Girard is hugely influential in literature and cultural studies. But it is in understanding the relationship between religion and violence that his theory has created its greatest impact. Girard s understanding of mimetic rivalry and conflict and of scapegoating is seen by many to be the key to a completely new understanding of Christianity. Girard s name evokes curiosity and--often--strong feelings among devotees and skeptics. Discovering Girard is the first book to present Girard s work to a wider audience. It explains and appraises Girard s mimetic theory, shows its impact on theology and other disciplines, and manages to convey the excitement that a discovery of Girard s ideas often generates in readers.

Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.
