Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from What Say the Scriptures About Proofs That It Is Demonism: Also, Who Are If it be asked how Spiritism could do injury to those who consider its claims to be deceptions and frauds and its votaries to be dupes, we answer that a large majority of its votaries are those who at one time thoroughly and heartily denied its claims and considered them impositions. Those who most thoroughly disbelieve in Spiritism are often the most ready to test its professed claims; and when convinced that many of its claims are genuine and many of its manifestations supernatural, these former disbelievers are more liable to become its devotees: whereas, if they had known just what Spiritism is, and how and by what power it operates, they would be on guard, and their judgment would have a support and guidance which it otherwise lacks. It is the lack of the true knowledge of Spiritism (imparted through the Scriptures and confirmed by indisputable evidences from outside the Scriptures) which causes so many to fall a prey to this delusion.
