Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Although she designed her book for her fellow sisters of the Carmelite Order, St. Teresa s Way of Perfection remains accessible to modern readers. In it, she sets out to lead others along the way to union with God through prayer, silence, and meditation. A few of the book s 42 chapters could be called a collection of rules, but the majority of the book more rightly fits the description of advice. As she suggests ways for readers to seek self-perfection, her words are practical, heartfelt, and drawn from personal e xperience. Not only this, but because of the book s less formal and less poetically obscure nature, it offers up a more direct articulation of St. Teresa s theological views than do her autobiography or her most famous work, The Interior Castle.
