

Bases Physiques de la Musique (Classic Reprint) (Paperback)

Filesize: 1.4 MB

Reviews

A brand new e book with a new perspective. Better then never, though i am quite late in start reading this one. I found out this ebook from my dad and i advised this publication to find out.

(Hailee Hahn IV)

BASES PHYSIQUES DE LA MUSIQUE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Bases Physiques de la Musique Des la premiere fois que j ai lu le traite d Helmholtz sur la Theorie physiologique de la Musique, voici bien loi vingt ans, j ai ressenti pour ce Livre une admiration profonde. Depuis je l ai souvent relu et mon admiration n a pas diminue. Cependant, s il m arrive d en parler devant des physiciens, je constate que neuf sur dix n en connaissent que le titre: ils sont excusables, le volume est gros et la vie breve. Mais ils semblent croire que ce livre, ecrit voila pres de cinquante ans, est vieux jeu et plus du tout a la hauteur; a les entendre, ils n ont que faire de le mediter. Quand j en parle a un musicien, ma malechance veut que, sans jamais l avoir lu, mon interlocuteur le declare demode, faux, bon a mettre au pilon. Par quoi il songe a le remplacer est generalement assez obscur et git encore dans les limbes de son cerveau. Il se fait naturellement l idee la plus fausse de ce que les physiciens entendent par une theorie, et se contente d explications qui ne sont que des metaphores. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
