Balboa Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book could be the mentor that speaks to you and guides you to your truth of how to go about achieving financial abundance. Like so many books written on subjects like the Law of Attraction, making money fast, and creating abundance, this book speaks to the limitation of negative thinking. However, it addresses the unconscious programming that comes ancestrally through each generation, based upon the events of the day. We are the amalgamation of hard times through time, caused by environmental factors, and the buck stops here. Mankind is now ready to get up and resolve it s dance with limitation and fear. We are ready to live our lives on our terms, thus embracing and achieving our dreams and goals. We are ready to look internally and see into our motivation, releasing our frustration at being lost in the labyrinth of our own unconscious fear of having it all. We are not actually afraid of losing it all; we are afraid of the responsibility of success. This book assists you in looking at your unconscious motivation regarding money.
