It is one of my personal favorite pdfs. Of course, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Trafford Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Book of Blue is a modern-day love story in poetry, written in a time of great light and great darkness, a story of the heart, the song of love. The book of poetry was inspired by the Muse and the blue dove painting by Pablo Picasso, as if the refrain was channeled through Picasso and in collaboration with the poet. Blue, you are the dove weaves through the entire work, encapsulating each verse as if the poem is a chant, a love song to Blue, telling his story and the story of the love affair with the poet. The book of poetry, a prayer of worship and peace, has a hidden dialectic of violence that, like dark water, winds its way through the work. As if the state of this postmodern love affair exists in a place of great longing and war. With influences of Leonard Cohen, Rod McKuen, Kahlil Gibran. Reminiscent of great love poetry, The Book of Blue is riveting.
