HOW TO BE A WOMAN: UNDERSTANDING MEN AND SUCCEEDING IN A RELATIONSHIP (PAPERBACK)

[DOWNLOAD PDF](#)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Modern society evolves and so do women. Nevertheless, like with any other natural selection, we can clearly notice that while some are succeeding, a vast majority is feeling like they are heading for extinction. Let s call this the difference between the Alpha and Beta females, and start from this point to analyze the whole issue and where the problems have begun in the first place. The media is constantly bombarding women with ideas about what to do in life and which man to choose, or even with concepts and ideas about romance and marriage. Nevertheless, modern women couldn t feel more lost with the whole topic of their true role and place in society. Reading extensively about love, dating and relationships, has surely done little for them. And it was taking into consideration all the misunderstandings and overwhelming problems they face nowadays that this book was created. The content here provided shows a resume of real-life stories that were successful after following these principles but, above all, takes into consideration conversations with women that didn t know nothing of what here is shown. The issues here analyzed focus on the difference between Alpha and Beta Females, the real purpose of a relationship, men s true intentions and the values within loving commitments and marriage. It s expected that upon finishing this reading a woman can find exact answers on how to be herself and still find happiness in life.
