SIMON SCHUSTER, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Easy. At the ripe young age of fourteen Jessica has discovered that getting the attention she wants is just that -- easy. It's not the attention of a divorced mother who spends all of her time grieving over a broken marriage. Nor is it that of a father with a new girlfriend who's moving on with his life. It's certainly not the attention of a clueless older sister or a best friend since grade school who still acts like she's in grade school. No. For some reason being noticed by her friends and family seems to have become almost impossible. Boys -- and men -- are a different matter altogether. With the right clothes and attitude, Jessica realizes that she can get all the male attention she wants. What she doesn't realize is how easy it is to get more than you're ready for. In this compelling and often harrowing novel for teen readers, first-time author Kerry Cohen Hoffmann delves into the mind of a teenage girl as she attempts to replace the shifting relationships with friends and family with sexual exploration. With candid storytelling rooted in years of personal experience, Mrs. Hoffmann offers a searing look at how easy it is to take a wrong turn in search for the right answers.
